Subject: Fw: UN Appoints Abu-Ghazaleh Chair of UN Global alliance for ICT and Development

Dear Mr.Abdullatif,

Thanks for sharing your press release with us and please convey my personal congratulations to Mr. Abu-Ghazaleh on this appointment. I am copying this to my colleagues at the UN Information Centre in Cairo which is our main Centre for the Arab world.

Unfortunately, UN Information Centres can reissue or distribute material and information issued by the UN. Was there a press release by the UN on this? If you have a copy, am sure our colleagues in Cairo would welcome an opportunity to share this with the Arabic media.

All the best,

Maher
